

A TRIBUTE TO ANNA POLITKOVSKAYA

EDVARD GRIEG – THE HUMANIST

Edvard Grieg's humanism is reflected in his creed: "One must first be a human being. All true art grows out of that which is distinctively human." Edvard Grieg was a defender of freedom, democracy and justice in both his attitude and his actions.

On October 7, 2007 Edvard Grieg's music will be played worldwide as a tribute to Anna Politkovskaya, who was killed October 7, 2006.
